CASE NO. 24-80116 - CR Cannon McCabe

UNITED STATES OF AMERICA

VS

RYAN WESLEY ROUTH

Defendant

Motion to Revoke ~~R~~ Pro Se Status and Request Legal Counsel

With this motion, I Ryan Wesley Routh, would like to revoke my~~7~~= current Pro Se status and kindly ask for appointed counsel to help with the super important sentencing as well as the somewhat important appeals p~~r~~rocess. I understand that there is some so~~e~~t of conflict of interest with the Federal Public Defenders office and that they are not allowed to help me moving forward , but if a PSI could be afforded to help me that would be amazing. I have learned that I will have the opportunity to share all of the exhibits that were excluded from the trial, which would be wonderful, but at this moment I do not forsee/foresee any point in wasting any time with witnesses and the cost associated with that. I apologize for the extreme cost and nuisance of the trial on everyone, but I felt ordinary citizens should decide; just a quarter of an inch further back and we all would not have to deal with all of this mess forwards, but I always fail at everything(par for the course). I hate our dictator missed the trial, can my appeal be heard in 30 years when he is gone. All offer~~t~~s still stand if he wishes to take out his frustratio~~n~~s on

my face. Perhaps now that I am found guilty, it might make it easier to trade my life for anothers imprisoned unjustly in a foreign country such as a hostage in Gaza, or the Swedish scientist held in Iran or jimmy Wu(?) or any of the 40 pro-democracy voices jailed in China; or anyone that should be free such as a Ukrainian POW. Perhaps some civilian out there can make my life useful for once and make countless calls to embassies and make a trade happen; as I will take any deal. My life is done, so please, someone trade it for someone with hopes and dreams.

Thanks,

Ryan Wesley Routh
